Hello Students –

OMG!!! Only 3 weeks left in the semester – time definitely flies when you are having fun!!! I know that we are all particularly crazy this time of year, but stay focused – work hard – and if you need help, don’t be afraid to ask for it.

Next Monday 4/23 from 10:00-11:30 am, Lauren Barrett from Career Services is bringing over some representatives from HR at Kennedy Krieger to talk to students about possible GAP year opportunities – both clinical and research. We would like to work on strengthening our relationship with KKI – as we would love to get more slots for our Experiential Learning (used to be the Practicum: KKI) – so we figured this would be a good start. Please join us in the Conference room (there will also be food!).

We will be getting our list of new majors soon and, after talking with a number of students, NRP, and the UNSC, we have decided to revamp our Major Ambassadors Program. Please see below for more details.

Also, just a reminder, we post any potential research and job positions for our current and graduating students on the “Student Opportunities” section of the website.

Finally, we are getting ready for our Annual Neuroscience and Behavioral Biology Social – please see below to RSVP.

Have a GREAT week!!!

---

**News and Upcoming Events: April 16th– April 22nd**

Gave him a Brain Wave!!! |
| Brain Awareness Week (BAW)                 | Thank you to Bethany York and Golddy Saldana, this year’s BAW Chairs, for a wonderful week of events!!! Thank you also to all those who helped put on the BAW events!!! |
### FULBRIGHT NEWS

CONGRATULATIONS to Karla Bachiller who was recently awarded a Fulbright Scholarship to teach children in Malaysia!!! We are so proud and happy for Karla. She loves children and is thinking of some type of pediatric specialty in medicine the future. Congratulations!!!

Stay tuned as we wait to hear about other Neuroscience or Behavioral Biology recipients...

### FULBRIGHT SCHOLARSHIP INFORMATION SESSIONS

The **Fulbright US Student Program** is an opportunity for high-achieving majors who are juniors, seniors, and recent graduates.

As part of the **Study/Research Award**, applicants may propose a study project (either taking coursework or earning a degree), a research project (joining a lab, conducting fieldwork, pursuing an artistic project, etc.), or a combination of study and research in 1 of 140+ countries.

The **English Teaching Assistantship** places students predominantly in high schools and universities located in 1 of 75 countries; ETAs teach English language and American culture.

For more information, please attend one of the upcoming information sessions:

**Fulbright Information Sessions - Spring 2018**

**Wednesday, April 18, 5-6pm** (Malone 228)
**Thursday, April 26, 3-4pm** (Malone 228)

### BECOME A MENTOR FOR NEW MAJORS

Very soon we will be getting our list of new majors and we have decided to change our Major Ambassador Program. We still want to have upperclassman serve as “mentors” for the new majors, but we would like to match up the mentors and new majors better. We have decided – after consulting with students – to come up with a questionnaire for the mentors so that we can build a bio/profile for the new majors to use to get to know the mentors.

If you are interested in serving as mentor, then please use the link below to sign up. We will then be sending out the questionnaires.

### CAREER CENTER:

The Neuroscience and Behavioral Biology programs, in conjunction with the Career Center, will be hosting a breakfast with human resources members from the Kennedy Krieger Institute. Meet KKI recruiters to learn more about KKI programs,
| **KENNEDY KRIEGER INSTITUTE** | the neurobehavioral unit, special education, and the many other services provided by the organization. Light refreshments will be provided.  
**WHEN:** Monday, April 23rd from 10:00 – 11:30 am  
**WHERE:** Dunning Conference Room – Room 414  
Link to register via Handshake:  
https://jhu.joinhandshake.com/events/148405/share_preview  
If you cannot come to the Conference Room session, then you can still find out about job opportunities at Kennedy Krieger Institute.  
**Monday, April 23**
*rd* 3:00-4:00, Gilman Atrium – Coffee Chat with KKI recruiters – stop by at your convenience! Recruiters will be available to answer questions, discuss KKI departments, and take resumes for those interested in working at KKI.  
**Monday, April 23**
*rd* 4:30-5:30, Shaffer Hall – Information Session highlighting internship and full-time employment opportunities with KKI, including Clinical Assistant positions and Research Assistant positions. They will also provide an overview of the many roles that are available at KKI. |
| **DREAMS 2018 – POSTER SESSION (MARK YOUR CALENDARS)** | The KSAS/WSE are hosting this year’s DREAM “Day of Research in Engineering, Arts, Medicine and Science”.  
**Poster Delivery Option:** If you would like your poster delivered to the Neuroscience/Behavioral Biology Office, then use our address as your delivery address – 3400 N. Charles St.  
434 Dunning Hall  
Baltimore, MD 21218  
Event Date: Friday, April 27th  
Time: 1:00 – 4:00 pm  
Location: Goldfarb Gym at Ralph O’Connor Recreation Center |
| **MEDICAL TUTORIALS** | The JHU School of Medicine and Homewood’s Pre-Professional Office are pleased to offer **Medical Tutorials** for Johns Hopkins University sophomores, juniors, and seniors.  
Medical Tutorials are experiences supervised by faculty at the Johns Hopkins University School of Medicine that are:  
- 1 or 2 credits  
- Graded satisfactory or unsatisfactory (S/U)  
- Offered fall and spring (not Intersession or summer)  
  o Registration for Fall Medical Tutorials starts in the summer. |
- Registration for Spring Medical Tutorials starts in late fall.
- You can't register for Medical Tutorials during regular fall and spring registration periods.

If you are a current freshman, sophomore, or junior who has any possible interest in a Medical Tutorial for Fall 2018 or Spring 2019, you must register for the program via Blackboard no later than June 1, 2018.

1. Log in to Blackboard with your JHED ID/password. ([http://blackboard.jhu.edu](http://blackboard.jhu.edu))
2. Next, click this link to be taken to a page that will automatically enroll you in the Medical Tutorials site: [https://blackboard.jhu.edu/webapps/blackboard/execute/enrollCourse?context=Org&course_id=160362_1](https://blackboard.jhu.edu/webapps/blackboard/execute/enrollCourse?context=Org&course_id=160362_1)
