Please initial here to indicate you have read and understand these requirements: _____

Honors in Your Major

To graduate with honors in your major, you must complete an HONORS CLEARANCE CHECKLIST by April 1st in the year you expect to graduate in May. Most commonly, this means by April 1st of your senior year. Failure to submit this checklist by this date will mean that you will not receive honors in your major. You cannot complete the checklist before February 1st of the same year. Please note that these requirements are not related to “General University Honors.” General University Honors are automatically assigned to all students who graduate with a 3.5 or higher.

To receive Honors in Earth and Planetary Sciences, you must have met the following criteria:

- Have taken a challenging set of courses during the four years of study.
- Have a GPA in your major requirements of a 3.5 or higher.
- Complete Senior Thesis at a level judged to be sufficiently high by the faculty of the Department of Earth and Planetary Sciences.
- Present the results of the thesis orally in the Department of Earth and Planetary Sciences.

To notify us that you are eligible for honors, you must:

1. Obtain an honors checklist by either downloading it from www.advising.jhu.edu or by picking one up in the Office of Academic Advising.
2. Complete the checklist after February 1st of your senior year and take it to the Director of Undergraduate Studies.
3. Return the signed checklist to the Office of Academic Advising by April 1st. You do not need to make an appointment to return the checklist, but it must be signed by the correct representative from your department or it will not be processed.
