Hello Students –

As last Friday was the last day to add classes, everyone’s spring schedule should now be set. For those of you who just added classes, be sure to contact your professor to make sure you can make up any material that you missed.

NRP has set up the event tracker to sign up for specific tasks for the CTY event to be held on Saturday, March 2\textsuperscript{nd}. If you are not an NRP member but you would still like to get involved, contact Mohika Nagpal @ mnagpal1@jhu.edu or Bruce Nguyen Tran @ hnugye73@jhu.edu, the CTY Chairs.

Have a GREAT week and Happy Valentine’s Day!!!

<tr>
<th>SUMMER RESEARCH FUNDING OPPORTUNITIES</th>
</tr>
</thead>
<tbody>
<tr>
<td>The Bloomberg Distinguished Professors (BDP) Summer Undergraduate Research Program is a research award program offering a $4,000 stipend to help offset expenses related to working with one of the Bloomberg Distinguished Professors on a project of their choosing for 10 weeks over the summer. The deadline to apply is <strong>February 28, 2019.</strong></td>
</tr>
</tbody>
</table>
| Summer PURA offers students a $4,000 stipend to help offset the expense of staying at JHU over the summer. The program runs for **10 weeks** over the summer from June to mid-August. The program offers JHU undergraduate students the opportunity to stay in Baltimore during the summer to start or continue a research, creative, or scholarly project in any division, department, or program related to Johns Hopkins. The deadline to apply for the Summer PURA is **February 28th.** For more information, please visit the HOUR [website](http://example.com) for more information.
The Neuroscience and Behavioral Biology Conference Room will be open and stocked.

The availability of the Conference Room for the week can be found [HERE](http://krieger.jhu.edu/behavioralbiology/). We will also be posting a sign on the door when the room is in use. You can also review the Dunning Conference Room user’s policy on the website.

**Note:** Please be sure to leave the conference room in better shape than you found it.
