Hello Students –

Another spring semester is underway. Hopefully you are getting your classes arranged so that you can have a successful semester. (Remember you don’t need to overload and stress yourself out!!!)

This Friday is the LAST day to add classes – which includes research and internships. If you are signing up for research, be sure you are signing up in the correct section. If you are doing research off-campus (at the med school, Bayview, or some other venue) you need to sign up in Dr. Gorman’s section. Failing to sign up in the correct section could mean you do not get credit at the end of the semester.

In this email, there is lots of information about how to get help if you are struggling. The office of Academic Advising has lots of programs to help you.

Finally, pop into the office if you still have not picked up your 2018-2019 T-shirt or if you need a Brain Sticker on your j-card (you need this for weekend and late night access to the Conference Room).

Have a GREAT week!!!

**News and Upcoming Events: February 4th – February 10th**

Are you graduating this fall and interested in apply for Departmental Honors?

You will be receiving an email soon if you meet the first criteria – a 3.5 cumulative GPA. The next step is to organize your honors packet and email it to Linda M. White.

**Honors Packet should include:**

- Proof of a 3.5 Core GPA by way of the GPA Worksheet (this can be found on the Honors webpage)
- 9 credits of required research
- Unofficial Transcript
- Proof of a Scientific Presentation (URS or DREAMS)
- Letter of Recommendation from your PI

More information can be found on the Neuroscience Honors webpage.

Please note this packet needs to be turned in by Friday, February 22nd at 4:00 pm.

The Bloomberg Distinguished Professors (BDP) Summer Undergraduate Research Program is a research award program offering a $4,000 stipend to help offset expenses related to working with one of the Bloomberg Distinguished Professors on a project of their choosing for 10 weeks over the summer. The deadline to apply is February 28, 2019.

Summer PURA offers students a $4,000 stipend to help offset the expense of staying at JHU over the summer. The program runs for 10 weeks over the summer from June to mid-August. The program offers JHU undergraduate students the opportunity to stay in Baltimore during the summer to start or continue a research, creative, or scholarly project in any division, department, or program related to Johns Hopkins. The deadline to apply for the Summer PURA is February 28th. For more information, please visit the HOUR website for more information.
| CONFERENCE ROOM | The Neuroscience and Behavioral Biology Conference Room will be open and stocked. The availability of the Conference Room for the week can be found HERE. We will also be posting a sign on the door when the room is in use. You can also review the Dunning Conference Room user’s policy on the website. Note: Please be sure to leave the conference room in better shape then you found it. |
| COMMENT/SUGGESTION BOX | Do you have any comments or suggestions that might make the program better? Would you like to see different snacks in the Conference Room? Visit the comment box link and make your thoughts known anonymously. |

Please refer to the BB website: [http://krieger.jhu.edu/behavioralbiology/](http://krieger.jhu.edu/behavioralbiology/) for more information.
