Hello Students –

This is a busy week, gearing up for the next round of exams and projects AND getting ready to celebrate Spring Fair. Organization and time management is key to success – you can do it!!! And remember, moderation is key to all things in life – so be nice to your brains…while studying and during Spring Fair.

This is the time of year when we get people either looking for new grads or for students to work over the summer. We will post these opportunities on the website under “For Current Students” – “Student Opportunities”.

We do need you all to RSVP by Monday, April 29th for our Summer Social (see below) being held next Friday outside of Dunning Hall. Seniors, we will also need you to RSVP for the Graduation Reception when you receive the evite.

Have a GREAT week!!!
