

Hello Students –

- Classes are in full swing and hopefully you have finalized your schedule. **This Friday is the LAST day to add a class.**
- Interested in the Ecuador and Galapagos trip led by Dr. Bohn? **Info session this Tuesday!**
- Be sure to attend Orientation sessions for Experiential Learning (EL) volunteer experiences this week if you have signed up.
- **Our Welcome Back Social will be held this Friday from 4:00-6:00 pm outside of Dunning.** Stop by for some food and to catch up with friends and faculty.
- **Nu Rho Psi, the Hopkins Undergraduate Neuroscience Society, is holding their first general body meeting this Thursday 9 – 10 PM Shaffer 3.**
 - This group is open to any and all who are interested in the nervous system. This organization works to encourage professional interest and excellence in the field of neuroscience; to support intellectual and social interaction amongst students, faculty and alumni; and increase public awareness of neuroscience. This is an extremely active student group on campus. If you are interested, stop by the meeting and find out how you can get involved.

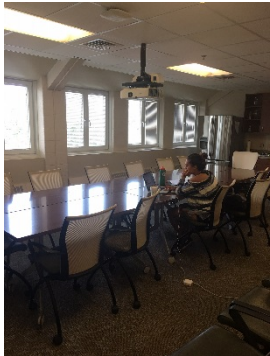

Have a GREAT WEEK!

Dr. Bohn

News and Upcoming Events: September 9th – September 15th

<p>NU RHO PSI GENERAL BOARD MEETING – This Thursday</p>	 <p>Welcome back to another year of NRP activities! Our first GBM is this Thursday, 9/12 from 9-10pm in Shaffer 3.</p>

	<p>To our returning members: we look forward to seeing you there (and please email nurhopsijhu@gmail.com if you cannot attend!).</p> <p>We also invite all interested Neuro/BB majors to join us at this meeting to see what we do during the year and hear about the application process to join. Looking forward to a new year of NRP!</p>
<p>MANDATORY EXPERIENTIAL LEARNING ORIENTATIONS</p>	<p>Are you interested in gaining some hands-on experience and applying what you are learning in the classroom? Register for one of our Experiential Learning courses this fall.</p> <p>The mandatory orientation dates are below. You will not be able to participate if you do not attend the Orientation Session.</p> <p>EL: Autism and other Neurological Disorders - Tuesday, 9/10 from 8am-9am in Mudd 26</p> <p>EL: Working with Children in the Clinic - Wednesday, 9/11 from 8am-9am in Mudd 100</p> <p>EL: Hopkids: Kennedy Krieger – Friday, 9/13 from 8am-9am in Dunning 414</p> <p>Contact Kelly Thammavong with any questions.</p>
<p>LIFE DESIGN LAB This Thursday</p>	<p>The designated Life Design Education for Behavioral Biology is Caroline Kelly. She will have weekly hours in the Dunning 4th Floor Conference Room on Tuesdays from a.m. – 1:00 p.m. The Life Design Lab at Homewood (formerly the Homewood Center) supports and serves all Krieger Whiting undergraduates and masters students, regardless of post-graduate plans. Life design educators are embedded within academic departments and centers across the Whiting School of Engineering and Krieger School of Arts and Sciences, which allows students to more easily access life design programs and courses, experiential learning, and connections with alumni and employers.</p> <p>Please click on here for more information.</p> <div data-bbox="1105 1066 1382 1339" data-label="Image"> </div> <p>specialist office 11:00 Career and</p>
