Welcome Back!!!

I hope you all had a wonderful Winter Break. This semester, as always, there will be lots of things going on. For our graduating seniors, the semester is going to feel like it is flying by. Try to take some time and reflect on all of your accomplishments and enjoy your last semester at Hopkins.

For those of you interested in receiving Program Honors, you will have an opportunity to present your research at the University-wide DREAMS (Day of Research in Engineering, Arts, Medicine and Science) Poster Session presented by HOUR (Hopkins Office for Undergraduate Research). This year, DREAMS will be held on April 24th. Please see below for registration information.

Again, we are happy to have you back. Remember stay on top of your classes, try not to stress out and if you need help – ask for it.

Let the semester begin!!!
