| **FALL 2023 WORKSHOP ACADEMIC SUCCESS! RSVP!! MON 9/11 @5** | The Neuroscience & Behavioral Biology programs will conduct a series of workshops for our students. This is an opportunity to network with your peers, eat some food and gain information. The first is on academic success in your major (Behavioral Biology!) **I HIGHLY RECOMMEND GOING!** |
Imagine the Possibilities at Future Fest 2023!

**What to expect at Future Fest 2023**

- **Explore** who they are, what curiosities they have, and different career paths
- **Discover** key Life Design Lab and Campus Partner experiential programming to prototype a life
- **Connect** with other students, alumni, and employers to take action in designing a post-Hopkins life

As the Hopkins community settles into the Fall Semester, the Life Design Lab will be hosting the fourth annual Future Fest, the Life Design Lab's premiere exhibition. Future Fest will feature an array of events and experiences that help our students:
