AND CREATIVE ACTIVITY

UNDERGRADUATE

# RESEARCH

# Grants

WE WANT TO FUND YOUR PROJECT!

### Grants for Research in the Humanities

Conduct research in libraries, museums, and archives on campus or anywhere in the world! Propose a creative project like making a film or writing a story!

### Grants for Research in the Natural Sciences

Formulate your own research question and work in a lab at Homewood or JHMI to answer it! Several grants for brain sciences in particular.

### Grants for International Research

Take your research project abroad! Spend the summer immersed in another culture! Grants are available for all disciplines.

### Grants for Research in Any Subject

Many of our awards are open to any major/subject area in Krieger. Interdisciplinary projects are especially welcome!

PRE-APPLICATIONS DUE **OCTOBER 23, 2023**

FINAL APPLICATIONS DUE **NOVEMBER 27, 2023**

# About our grants

## HUMANITIES

- **Louis E. Goodman Award:** \$1,000 to facilitate personal enrichment in a discipline (arts and humanities) that may not otherwise be pursued by the recipient.
- **Humanities Research Clusters:** For open discussion of current topics in evolving and understudied interdisciplinary fields. Up to \$1,000 for meetings, materials, and guest speakers.

## NATURAL SCIENCES

- **John Camp and Mindy Farber '74 Endowed Award:** Approximately \$4,000 for research in brain sciences, especially brain cancers.
- **Jeffrey Ma Shiu and Emily Liu Endowed ASPIRE Award:** \$4,000 for research in brain sciences.
- **Albstein Research Scholarship:** Up to \$5,000 for research in brain sciences, especially Alzheimer's research.

## INTERNATIONAL RESEARCH

- **Phares Family Grant for International Engagement:** \$7,000 award for international research, with preference given to students unable to study abroad during the academic year.
- **Meg Walsh Award:** Provides a graduating senior with \$32,000 to undertake an independent project abroad in the year after they graduate.

## ANY SUBJECT AREA

- **Dean's ASPIRE Grants:** Up to \$5,000 for independent projects in any subject.
- **Bander Family Fund Award:** Up to \$4,000 for creative summer projects.
- **Woodrow Wilson Fellowship:** Up to \$10,000 for a three-year independent project. Available to first-year students only. See our website and separate flyer for details.

## APPLICATION PROCESS

### September/October:

- Attend info session (Sept 21 or 22)
- Attend proposal workshop (Oct 12 or 13)
- Talk to potential faculty mentors

### October 27:

- Submit pre-application
  - Draft abstract
  - Draft proposal
  - Draft budget
  - List of potential mentors

### November:

- Apply feedback and revise materials
- Identify faculty mentor
- Secure letter of recommendation

### November 27:

- Submit final application
  - Abstract
  - Proposal
  - Budget
  - CV
  - Transcript
  - Letter of recommendation
