Career and Professional Goals

1. What are your **long-term professional goals**? e.g., What positions or responsibilities and in which sectors (academic, non-profit, policy, government, industry, other) appeal to you for 5-10 years after graduation? Which career options, tracks, or sectors do you want to be in or learn more about?

2. What **shorter-term objectives may help you achieve those goals**? E.g., are there specific skills you would like to acquire or improve? Are there courses, workshops, experiences, internships, etc. that might be helpful in getting additional exposure, furthering, or better articulating, these professional goals? **(NOTE: Table below may help guide some of your thinking in this area).**

3. What specific steps will you take to further these professional development goals?

4. Do you anticipate any challenges in meeting these professional development goals? Are there factors that could negatively affect your ability to pursue your short or long term professional goals? What help can your advisor or other faculty/staff provide?
