The BA/MA Program

- Expectation to complete program in 5 consecutive years
- Candidates chosen for program during sophomore year at Hopkins
- Spend junior year taking relevant Hopkins courses and completing undergraduate requirements
- Receive BA after first year of graduate study (year four) and MA after the second year at SAIS (year five); all students may participate in May commencement activities, although students attending the HNC will have their undergraduate degree conferred in the summer following the fourth year of study.
- Participate in the same rigorous academic program; study with the same professors, interact on the same basis as everyone else with student body; fulfill same graduation requirements.
BA/MA Application Process

Application Materials

- Online Application (accessed via International Studies Program website)
- Statement of Interest
- 1 Letter of Recommendation
- SAIS Zoom Interview (by invitation only)

Greater Flexibility to Focus on the Issues That Matter Most

Exciting Multidisciplinary Coursework
• Build a robust set of skills – including leadership, economic analysis, analytical conceptualization and reasoning, regional expertise, and real-world problem-solving. Choose electives tailored to your interests.

Languages
• Open doors to new professional possibilities through the study of a language. Our robust language studies program, emphasizing current political and economic topics, trains you to achieve proficiency in a non-native language.

Co-Curricular and Experiential Learning
• **Professional Development Skills**
  • Leadership
  • Technical
• **Capstone**
  • Practicum Projects
  • Study Trips (outcome report/paper)
  • Key Leadership Roles
  • Internships (outcome report/paper)
  • Practical Research Papers
Hopkins-Nanjing Center 中美中心

• Advance Chinese proficiency while deepening your knowledge of Sino-global relations

• Prior Chinese language proficiency required, most students have completed 3-4 years of undergraduate Chinese language study

• Student body of roughly 175 students, half Chinese and half International. Close-knit community fosters candid discussions of issues facing China and the world today

• Chinese and international faculty members, innovative co-taught courses in Chinese and English

• Housing in student dormitory

• City of Nanjing- one of the 4 historical capitals of China
Study Treks, Practicums, and Career Treks

We have more than 50 study treks, practicums, and career treks organized by the academic programs and global career staff each year

- conduct field research
- engage with partner organizations
- gain firsthand knowledge of the issues they study
Advance Your Career

- Define career objectives
- Hone professional development skills
- Meet with alumni working in your chosen field
- Prepare for internship and job interviews

**Master of Arts (MA)**
Two-year, full-time program emphasizing economics, policy and regional studies, and languages
