

Hello Students –

Let the registration begin!!! We have updated our upper level courses on the website. Be sure to check out all of the course listings AND the Teacher Course Evaluations for courses. Remember – you don't want to overload!!! Make sure you have discussed your course selections with your faculty advisor.

Other course news, the Biology department is offering a smaller section of Biochemistry this Spring (100 student limit instead of 468 student limit in the Fall). It is still going to be a very similar course to the one offered in the fall, just smaller.

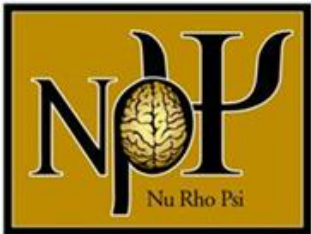

Apparently some of you have been a bit messy in the Dunning Conference Room. There were a number of signs put up in the room reminding you to keep the area clean. I have taken most of these down, as I feel that you are all adult enough to take care of this space. If you don't, it makes more work for the ladies in the office (who busily keep the room stocked with treats) and for Steve, our janitor, who takes really good care of us. Please, clean up after yourselves (wiping down the table if necessary) and put the chairs back into place. Remember, a good rule of thumb...always leave a place cleaner than how you found it. It is just common courtesy and a nice thing to do.

The Walk to End Alzheimer's, which was postponed due to bad weather, is rescheduled for THIS Saturday, November 10th. Nu Rho Psi has 46 volunteers who will be walking at this event. If you would like more information about this, contact Brielle at bsmit165@jhu.edu. HAPPY WALKING!!!

Thanksgiving Break is right around the corner. I know there are a lot of exams in the next few weeks, but hang in there...you can do it!!!

Have a GREAT week!!!

News and Upcoming Events: November 5th – November 11th

<p align="center">SPRING REGISTRATION – STARTS THIS WEEK</p> 	<p>Spring 2019 Registration is Nov 5th – Nov 13th</p> <p>Undergraduate registration for opens at 7:00 a.m. on the following days:</p> <ul style="list-style-type: none"> • Monday, November 5th – Seniors • Wednesday, November 7th – Juniors • Friday, November 9th – Sophomores <p>Neuroscience approved upper levels .</p>
