Hello Students –

Welcome back!!! I hope you all had a nice, relaxing Spring Break. I have looked at the weather for this week in Baltimore and it looks like the temperature is on the rise; at least I did not see any snowflakes in the forecast!!! Needless to say, the rest of the semester is going to be busy – so best to put a smile on your face and go for it.

SENIORS, there will be lots of events and information coming your way regarding graduation (YIKES!!!). We will keep you posted – so read your Weekly Emails. In all the frenzy, remember to enjoy your last semester here at Hopkins.

JUNIORS, Junior Clearance MUST be done prior to fall registration. If you do not hit the March 31st deadline, then you can still complete this you will just need to physically go over to Academic Advising to have your pre-graduation hold lifted. Be aware that you MUST complete the process by April 5th then you will not get to register for classes when registration begins on Monday, April 8th (see below for details).

SOPHOMORES you should be meeting with your faculty advisors to talk about fall registration. The upper level classes will be posted on the website this week. Please be sure to look these over and check Teacher Course Evaluations prior to having your faculty meeting.

Have a GREAT week!!!

---

News and Upcoming Events: March 25th – March 31st

## Junior Clearance

Junior Clearance is still underway. Remember that you need to APPLY TO GRADUATE to complete the Junior Clearance process.

**PLEASE NOTE:** If you do not complete Junior Clearance by March 31st then you will have to physically go to the office of Academic Advising to have your hold removed from your account.

Follow [these instructions](http://example.com) to be sure you complete the process.

## Spring 2019 Travel Grants

The Neuroscience and Behavioral Biology Programs will once again have competitive Travel Grants for up to $1000 available for students who will be presenting their research at national scientific meetings.

**Application should include:** Resume, Abstract (to include your title, PI and location of conference), Budget and a Recommendation Letter from your PI. The deadline for submission is **Friday, March 29th at 4:00 p.m.**

Please email your application to Linda White ([linda.m.white@jhu.edu](mailto:linda.m.white@jhu.edu)).

## Dreams

The KSAS/WSE will once again be hosting this year’s **DREAMS “Day of Research in Engineering, Arts, Medicine and Science”**.

ALL undergrad’s are encouraged to register and present & ALL faculty, staff, post docs, grad students, non-presenting undergrads, friends, family and alumni are encouraged to attend DREAMS, HOUR’s 2nd annual celebration of undergraduate research, scholarly, and creative projects on **Friday, April 5, 2019** from 1:00 – 4:00 pm in the Goldfarb Gym at the O’Connor Rec Center.

If you are trying to earn Neuroscience or Behavioral Biology Honors, this event will count for your presentation requirement.

The deadline to register and be included in the printed program is **Monday, April 1, 2019**.

The deadline to order your free poster in time for the event is **Monday, April 1, 2019**.
FALL 2019 REGISTRATION

Registration is right around the corner. Here are the dates for registration:

**Monday, 4/8** – Rising Seniors
**Wednesday, 4/10** – Rising Juniors
**Friday, 4/12** – Rising Sophomores

Courses are now listed on SIS and the COMPLETE list of upper levels will be on our website this week. You should be scheduling a time to meet with your faculty advisor.

Also, the Registrar’s website has changed. The Teacher Course Evaluations (TCEs) can now be found under “Faculty and Staff” instead of “Students”.

<th>INTERESTED IN ROBOTICS?</th>
</tr>
</thead>
<tbody>
<tr>
<td>West Virginia University will be running a NSF-funded <a href="#">REU Site: Undergraduate Robotics Research in Human-Swarm Interaction</a> project which will provide training, mentorship and support to undergraduate students so that they can become independent researchers in the area of robotics. Throughout the project, the faculty and graduate student mentors will encourage creative thinking and frequent interactions to enhance the students' problem-solving skills. Students will receive a stipend of $5,000 ($500/week for 10-weeks), lodging, meal expenses, travel reimbursement to/from REU Site (limited to ~$600/participant) and comprehensive training to move participants toward intellectual and research independence. <a href="#">Apply for the summer 2019 program</a> by April 12, 2019.</td>
