Hello Students –

With less than a week before classes start let the weekly emails begin!!!

As always, we will start sending you a **Weekly Email** on Monday mornings to keep you informed of what is going on with the Neuroscience Program and on campus that may be important to you.

Please take a few minutes each week to read the Weekly Emails so that you know what is going on. Because of the unprecedented times we now find ourselves in, it is imperative that you read your Weekly Emails. This information will also be posted on the website - [http://krieger.jhu.edu/neuroscience/](http://krieger.jhu.edu/neuroscience/).

We want to welcome our new sophomores to the major!!! With the incoming class of 2023, the Neuroscience Program has 425 majors!!!

Have a GREAT beginning of the semester!!!

All positions posted on SMILE, whether as student jobs or paid internships, are **non-credit-bearing**, compensated via JHU payroll, and part-time. Students will still use Handshake for off-campus internships, full-time positions, and career-related events. We branded the new platform SMILE to complement that existing system.

### VIRTUAL UNDERGRADUATE RESEARCH SYMPOSIUM – SAVE THE DATE

Are you interested in presenting your research or are you looking to fulfill your scientific presentation for Departmental Honors? Join us at the **Virtual Undergraduate Research Symposium** on Tuesday, **October 27th**.

More details to follow on:
- ✓ Website registration
- ✓ Keynote Speaker
- ✓ Location
- ✓ Review session on “How to Present”

Contact [Kelly Thammavong](mailto:kthammavong@jhu.edu) with any questions.

### FALL 2020 DEPARTMENTAL HONORS

Are you graduating this Fall and interested in applying for Departmental Honors?

You will be receiving an email soon if you meet the first criteria – a 3.5 cumulative GPA. The next step is to organize your honors packet and email it to [Linda M. White](mailto:lindawhite@jhu.edu).

**Honors Packet should include:**

- Proof of a 3.5 Core GPA by way of the GPA Worksheet (this can be found on the Honors webpage)
- 9 credits of required research
- Unofficial Transcript
- Proof of a Scientific Presentation (URS or DREAMS)
- Letter of Recommendation from you PI

More information can be found on the [Neuroscience website](https://neuroscience.jhu.edu).

Please note this packet needs to be turned in by **Friday, October 9th at 4:00 pm**.

### RESEARCH OPPORTUNITIES

The **Hopkins Office for Undergraduate Research (HOUR)** receives information about research opportunities for students. There are currently research opportunities in the Johns Hopkins [Adherence Research Center](https://adherence.jhu.edu) and the [School of Medicine](https://medicine.jhu.edu). Please click on the links for more
You can also find research opportunities by going to the research section of our website - [http://krieger.jhu.edu/neuroscience/research/finding-a-lab/](http://krieger.jhu.edu/neuroscience/research/finding-a-lab/) and by looking under the “For Current Students” – section of our website under “Student Opportunities” - [http://krieger.jhu.edu/neuroscience/bbtype/research-internships/](http://krieger.jhu.edu/neuroscience/bbtype/research-internships/).
