Hello Students –

Nu Rho Psi, GCN and Life Design!!! Lots of cool things going on. Check it out!

**Piazza Experiment:** The Neuroscience Program is experimenting with a discussion board that you can use to ask general questions about the program. You should receive an email adding you to the discussion board. *As always your major advisors are an excellent resource for navigating the major so please absolutely continue to send your questions their way!*

**Dr. Trageser’s office hours:**
My office hours are Tuesday’s 11:00 a.m.-12:00 p.m. ET. Use the link below to make an appointment to speak with me via Zoom. I’m happy to discuss and questions and concerns you have!

**REMEMBER, WE ARE HERE FOR YOU!**

If you are having any difficulties this semester please make sure you are communicating with your instructors. This is going to be more important than ever. Please remember, all us in the Neuroscience Program are here to support each other!

**Have a GREAT WEEK!!!**

**News and Upcoming Events: September 28th – October 4th**

<tr>
<td><strong>THIS THURSDAY</strong></td>
<td><strong>OCT. 1</strong></td>
</tr>
<tr>
<td><strong>GCN NETWORK</strong></td>
<td>New to the neuro/BB major and looking for a mentor? Made it out of nervous systems alive and want to become a mentor to a new and excited student? Join GCN, where Glial Cells (GC, mentors) support Neurons (N, mentees). To join or for more information, please see the flyer for more information. Contact <a href="mailto:nurhopsigncn@gmail.com">nurhopsigncn@gmail.com</a> with questions.</td>
</tr>
<tr>
<td><strong>SYNAPSING SESSION</strong></td>
<td></td>
</tr>
</tbody>
</table>
The Life Design Lab is featuring a week-long virtual Career Fair. This virtual fair will feature over 80 employers as well as opportunities to network. To see a list of activities happening, please check out Future Fest.

Olton Research Award Due Date POSTPONED

Due to the uncertain nature of Spring research the Olton Research Award submission date has been moved to 12/1/2020. The application description has also been updated. Go to Research Grants & Awards at: https://krieger.jhu.edu/behavioralbiology/current-students/funding/

INTERESTED IN COGNITIVE SCIENCE?

“Omega Psi is the international undergraduate society in cognitive science. Our purpose is to raise awareness and promote involvement in cognitive science both within and beyond Johns Hopkins University. The chapter welcomes any undergraduate student interested in cognitive science regardless of their academic discipline at Johns Hopkins University. Activities include regular meetings, organized workshops, journal club, socials, service opportunities, our annual conference, and more.”

Email us at @jhu.omegapsi@gmail.com to join or if you have any questions! Join us on Discord: https://discord.gg/pSU38HR
