Hello Students –

**Junior Clearances** have started and that means that Fall Registration is just around the corner! Please visit the [Academic Advising site and review the Junior Clearance Instructions](https://advising.jhu.edu/student-roadmap/juniors/junior-clearance/)

Courses will go live on April 5th, which gives you a few weeks to figure out your schedules. Remember, to check the Teacher Course Evaluations (you can get all the numeric scores, as well as the overall summaries) prior to meeting with your faculty advisor.

Course Evaluations link: [https://studentaffairs.jhu.edu/registrar/faculty-staff/course-evaluations/](https://studentaffairs.jhu.edu/registrar/faculty-staff/course-evaluations/)

**Dr. Trageser’s Office hours:** My office hours will be Wednesday 11:00-12:00 ET. Check the weekly email to SignUp Genius link to schedule an appointment. The Zoom link should be embedded in SignUp Genius. If you can’t find a meeting slot that works for you just email me.

***Note that I already sent out a separate link to juniors for junior clearance.***

**MID-ATLANTIC BIOMATERIALS DAY CONFERENCE**

The last days to register for Mid-Atlantic Biomaterials Day are here! The JHU Society for Biomaterials chapter is hosting the MABD research conference to help students prepare for and build careers in the Biomaterials field. We will be hosting several prominent speakers, including Dr. Christopher Sauei from the FDA to talk about gene-based products (like the new COVID-19 vaccines!) and Hopkins alumnus, AJ Bizub! Check out our entire speaker list and program at our [website](#). Be sure to [register](#) to attend.

Have your own research to present as well? We will be hosting student posters and presentations highlighting your work, with a total prize pool of $300 for the bests-in-show! Register your [poster](#) or [presentation](#) here.

**REGISTRAR’S OFFICE DEADLINES**

The last day to drop classes via SIS self-service is this [Sunday, March 7th](#). The last day to add research is this [Friday, March 5th](#).

**NEW CASE MANAGEMENT SYSTEM**

The Registrar’s Office developed a new case management system that makes it easier for students to request assistance with [registration](#), [financial aid](#), and [student accounts](#). Students can now submit requests related to the above-mentioned issues using the [online case form](#). Since this is a new system, please be patient while your requests are being processed.

**NEUROSCIENCE HELP ROOM**

Would you like more assists with studying and/or preparing for exams for Cog Neuro or Neuro: C & S II? Stop by the HELP Room and meet with Sarah. Her office hours are Weds. 6pm-8pm and Fri. 11am-1pm

(See weekly email for the Zoom link)
### LIFE DESIGN

**Design Your Summer Experience: Pre-Health Edition**

Thursday, March 4 from 2-3pm ET

[https://jhu.joinhandshake.com/events/704031](https://jhu.joinhandshake.com/events/704031)

In this workshop, students will think creatively about how they might utilize the Life Design Lab summer grants to design a unique summer experience that aligns with their pre-health goals. Students will identify available opportunities, the skills they would develop in these experiences, and how to align these skills with the AMCAS Core Competencies.
