Hello Students –

**LAST WEEK OF CLASS!!**  Congratulations on making it through one full academic year of mostly online courses! There were many challenges but you should be very proud of yourselves that you were able to persevere!!

The final Spring Break day is this Friday, April 30th. Take time to relax and breathe before finals.

*The Neuroscience Program is planning to have a celebration for our graduating students. You will be receiving information in early May about what we are planning to do.*
