Students –

PLEASE READ THE WEEKLY EMAIL!
Lots happening this week and next....

SCIENTIFIC COMMUNICATION MEETS THIS WEEK (DATES/TIMES) BELOW!
Note that only section 2 and 4 will be in-person in the Dunning conference room. All other sections will be via Zoom.
Verify your date and time by checking the SPECIAL NOTE on SIS!

News and Upcoming Events: September 13th – September 19th

| NEUROSCIENCE BS/MS INFO SESSION THIS TUESDAY SEPTEMBER 14TH | Are you interested in pursuing career opportunities in Neuroscience but can’t decide if research is for you? Have you thought about MD/PhD or PhD programs as a next step? Please join us for an information session about the Neuroscience BS/MS Program.

The session will be led by Dr. Jay Baraban, Program Director, and Dr. Jason Trageser, Neuroscience DUS. There will also be several alumni of the Neuroscience BS/MS program that will be telling their stories about how this Program prepared them for opportunities after JHU.

The Info Session will take place on Tuesday, September 14th starting at 7:30 p.m. via Zoom. If you haven’t already done so, please RSVP to Hope Fisher who will provide the Zoom link for the info session. |
| --- | --- |

| SCIENTIFIC COMMUNICATION THIS WEEK | To make it easier for students looking for research, an information sheet has been put together to answer some questions regarding Neuroscience research and the types of research that are accepted. There is also information on how to find a lab and how to register for research and taking Scientific Communication.

Scientific Communications is no longer a co-requisite with Neuroscience Research. However, students should only register for Scientific Communications if they are currently in a lab OR if they have participated in research in the past.

Scientific Communication: It is mandatory that you attend the section for which you are registered because we try to keep the sections small. If you do not attend the Orientation session, then you can still do research – but, you will not be able to get credit for it. Here are the dates and times of the Sci Comm sections.

PLEASE NOTE: THE ZOOM LINKS FOR THE ONLINE SECTIONS WILL BE SENT TO YOU BY THE PROFESSOR OVERSEEING THAT SECTION. |
The Life Design Lab at Homewood supports and serves all Krieger and Whiting undergraduates and masters students, regardless of post-graduate plans. Life design educators are embedded within academic departments and centers across the Whiting School of Engineering and Krieger School of Arts and Sciences, which allows students to more easily access life design programs and courses, experiential learning, and connections with alumni and employers.

I will be staffing KSAS office hours from 3pm – 5pm on Tuesdays. You can find me in this Zoom space at that time. If that time does not work for you, email me at kmardoc1@jhu.edu to arrange a meeting.

Fall Foundations with the Life Design Lab
Zoom links and registration: bit.ly/FallFoundations21
Join the KSAS Life Design Lab team for our Fall Foundations workshop series! Over the next two weeks, discover our top tips for finding opportunities, learn to network like a pro, get prepared to decide between and negotiate offers, and give your resume and cover letter skills a tune-up.
- Mon, 9/13 (7pm): Networking
- Tues, 9/14 (6pm): Offer Negotiation and Decision-Making
- Wed, 9/15 (6pm): Resumes and Cover Letters
| DREAMS-FALL 2021 UNDERGRADUATE RESEARCH DAY | DREAMS now takes place twice each year – once in the Fall semester and once in the Spring semester – giving students two separate opportunities to present their research.  
Fall DREAMS will take place virtually October 18 – 22, 2021 on the Symposium platform. **Registration to present will open on September 15, 2021, at the HOUR Undergraduate Research Community in HopkinsGroups.**  
In addition, Dr. Kirsten Bohn, Chair and Director of Undergraduate Studies, will be presenting her research from her Batlab, which is scheduled for Monday, October 18th with her presentation starting at 8:00 p.m. via Zoom. |
|---|---|
| REGISTRATION OPENS THIS WEEK!! | NEED ACADEMIC HELP?  
Many of the student support services are still available although virtually.  
The Learning Den is offering drop-in tutoring for a number of courses, as well as HELP rooms for Economics and Neuroscience via Zoom.  
| JHU OFFICE OF ACADEMIC SUPPORT | NEURO HELP Room – Sarah A. – Wednesday's 6pm-8pm (EST).  
The Study Consulting Program helps undergraduate students strengthen their academic skills, adjust to the increased demands of college and fulfill their academic potential. A consultant will be available on in person or thru Zoom to help with general time management. |
| CONFERENCE ROOM | The Neuroscience and Behavioral Biology Conference Room will be re-opened during the Fall 2021 semester  
The availability of the Conference Room for the week can be found [HERE](#). We will also be posting a sign on the door when the room is in use. Due to the ongoing COVID situation, social distancing is the rule for use of the conference room.  
**Note: Please be sure to leave the conference room in better shape then you found it.**
