Hello Students!

Please take a few minutes each week to read the Weekly Emails so that you know what is going on. Because of the unprecedented times we now find ourselves in, it is imperative that you read your Weekly Emails. This Information will also be posted on the website - http://krieger.jhu.edu/neuroscience/.

I know that some students are planning to present their research at DREAMS this semester for departmental honors. However, DREAMS registration HAS NOT started yet. The HOUR Office is still working on the plans for this year’s virtual DREAMS. As soon as we know the date that registration opens, we will send out an email to our students.

The deadline to submit your Neuroscience Department Honors packet is this Friday, February 18th. If you still need to present your research this Spring 2022 semester, we will let you know when the registration for Spring 2022 DREAMS opens. You can submit your honors packet by the deadline even if you haven’t registered but plan to present at Spring 2022 DREAMS.

Happy Valentine’s Day!!

NEUROSCIENCE BS/MS INFO SESSION
FEBRUARY 15TH
THIS TUESDAY

Are you interested in pursuing career opportunities in Neuroscience but cannot decide if research is for you? Have you thought about MD/PhD or PhD programs as a next step? Please join us for an information session about the Neuroscience BS/MS Program.

The session will be led by Dr. Jay Baraban, Program Director, and Dr. Jason Trageser, Neuroscience DUS. There will also be several current student of the Neuroscience BS/MS program that will be telling their stories about how this Program is preparing them for opportunities after JHU.

The Info Session will take place on this Tuesday, February 15th from 7:00pm – 8:00 pm via Zoom. Please RSVP to Hope Fisher who will provide the Zoom link for the info session.

FACULTY ADVISORS OFFICE HOURS SPRING 2021

Below are the office hours for your faculty advisor for the Spring 2021 semester:

- Dr. Jay Baraban – by appointment only
- Dr. Vikram Chib – by appointment only
- Hope Fisher – Tuesdays, 10:30 am-12:00 noon and Wednesdays 1:30-2:30 pm, Dunning 416 or by appointment. Must use SignUp Genius to make Zoom appointments
- Dr. Robert Johnston – by appointment only
- Dr. Hey-Kyoung Lee – by appointment only
- Dr. Michael McCloskey – Tuesdays & Thursdays, 11:00 am-12:00 noon
- Dr. Shreesh Mysore – by appointment only
- Dr. Dani Smith – Mondays 2 pm-3pm, in-person, Dunning 418; Thursdays, 1:30-2:30pm on Zoom
- Dr. Jason Trageser – Wednesdays 11:00 am-12:00 noon, in-person, Dunning 434; Wednesdays 4:30-5:30 pm via Zoom. Must use SignUp Genius to make Zoom appointment and to get the Zoom link and passcode
- Dr. Robert S. Ross – Wednesdays 10:30 am-12:30 pm Dunning 416
- Dr. Susanne Sterbing-D’Angelo – Fridays 12:00 pm-1:00 pm, in person, UTL G79 or via Zoom
- Dr. Haiqing Zhao – by appointment only

NU RHO PSI NATIONAL MEMBERSHIP
APPLICATION DEADLINE MARCH 4th

Nu Rho Psi is the National Honor Society in Neuroscience, founded in 2006 by the Faculty for Undergraduate Neuroscience. Membership is by invitation and is open to undergraduate students who are making the study of Neuroscience one of their major interests and who meet...
the other academic qualifications AND are members of the JHU Chapter of Nu Rho Psi. Requirements for membership include:

- Major, minor, other emphasis in Neuroscience
- Completion of at least 3 semesters of the College course
- Completion of at least 9 semester hours of Neuroscience-related courses
- Undergraduate cumulative GPA of 3.2 and a minimum GPA of 3.5 in Neuroscience courses

Students that are eligible for the National Nu Rho Psi Honor Society will be receiving an email from Linda M. White regarding the application process. There is a one-time membership fee of $40, which can be paid by cash, check or money order and will be due once your application has been approved. Unfortunately, we are not set up to accept credit card payments. **The deadline to submit applications ONLY is Friday, March 4th.**

**A PLACE TO TALK WORKSHOP**

**NEXT MONDAY**

These past few years have been difficult on the student body and we want to support you and your peers by helping you to recognize when you or your friends are in need of extra support.

Are you interested in meeting other Behavioral Biology & Neuroscience majors as well as learning how to help out your friends? Attend a small group workshop (with just our majors) with a member of APTT for a discussion on Empathetic Listening.

We will be holding this workshop on Monday, February 21st from 6:30pm-7:30pm. Please fill out the short Google Form to RSVP.

**LIFE DESIGN LAB**

The **Life Design Lab at Homewood** supports and serves all Krieger and Whiting undergraduates and masters students, regardless of post-graduate plans. Life design educators are **embedded within academic departments and centers** across the Whiting School of Engineering and Krieger School of Arts and Sciences, which allows students to more easily access life design programs and courses, experiential learning, and connections with alumni and employers.

Karen Mardock, Life Design Educator for Brain Science students

**Spring 2022 Life Design Lab Drop-in Office Hours:**
Mon-Thurs (9 am-5 pm ET), Mon-Wed (8p-10p ET) & Fri (11 am-3 pm)
You can find Karen staffing these hours on Tuesdays from 3pm – 5pm, but you can drop-in anytime for assistance from someone on the Life Design Lab team. Check weekly email for the Zoom link.

If you would like to schedule a one-on-one meeting, please contact Karen by email – kmardoc1@jhu.edu.

Love Data Week 2022

Love Data Week 2022: Discovering Data for Research

Join JHU Data Services during a lunch and learn session where we will guide you in discovering and accessing data for use in your research. You will learn effective search strategies for discovering secondary data for research, learn how to access and use data sources licensed by the library, find data outside the library, and discover how to access restricted-use data. After attending this workshop you will be empowered to find the data you need for your research!

Date: Tuesday, February 15, 2022
Time: 11:00am - 12:00pm
Location: Online
Campus: Online
Audience: Faculty/Staff Students
Presenter: Pete Lawson
Categories: Data Management & Sharing Data Services

Conference Room

The Neuroscience and Behavioral Biology Conference Room has been re-opened.

The availability of the Conference Room for the week can be found HERE. We will also be posting a sign on the door when the room is in use. Due to the ongoing COVID situation, social distancing is the still rule for use of the conference room with no more than 8 people at a time using the conference room.

Note: Please be sure to leave the conference room in better shape then you found it.
