Hello Students!

Please take a few minutes each week to read the Weekly Emails so that you know what is going on. Because of the unprecedented times we now find ourselves in, it is imperative that you read your Weekly Emails. This Information will also be posted on the website - http://krieger.jhu.edu/neuroscience/.

I know that some students are planning to present their research at DREAMS this semester for departmental honors. However, DREAMS registration HAS NOT started yet. The HOUR Office is still working on the plans for this year’s virtual DREAMS. As soon as we know the date that registration opens, we will send out an email to our students.

News and Upcoming Events: February 21st - February 27th

**A PLACE TO TALK WORKSHOP**

**TODAY**

These past few years have been difficult on the student body and we want to support you and your peers by helping you to recognize when you or your friends are in need of extra support.

Are you interested in meeting other Behavioral Biology & Neuroscience majors as well as learning how to help out your friends? Attend a small group workshop (with just our majors) with a member of APTT for a discussion on Empathetic Listening.

We will be holding this workshop on TODAY, February 21st from 6:30pm-7:30pm. Please fill out the short Google Form to RSVP.

**BLOOMBERG SCHOOL OF PUBLIC HEALTH**

**SUMMER INSTITUTE**

The Department of Mental Health offers a Summer Institute June 1-17, 2022. Participants will have a unique opportunity to work and learn directly with the faculty in a past-paced, dynamic environment. This learning opportunity cover a broad range of course topics.

Registration is now open. Click here for more information.
POST-GRAD SCHOLARSHIPS

Are you interested in earning a graduate degree in the UK or Ireland? Join the JHU National Fellowships Program for one of our upcoming info sessions about the Churchill Scholarship, Gates Cambridge Scholarship, Marshall Scholarship, George J. Mitchell Scholarship, and the Rhodes Scholarship. All are open to rising seniors and recent graduates and they fund one to three years of study. All but the Churchill (STEM-only) are open to students in any academic discipline.

Come learn about these amazing opportunities and why they might be right for you! You’ll hear from recent winners as well as NFP staff about each award and how to apply through JHU.

- Tuesday, Feb 22, 5:30-6 pm ET – register here
- Monday, Feb 28, 5:30-6 pm ET – register here
- Wednesday, March 9, 12-12:30 pm ET – register here
- Monday, March 14, 5:30-6 pm ET – register here

If you have questions, please contact Dr. Kathleen Barry, or come by NFP’s drop-in virtual office hours on Tuesdays from 11am to 1pm to talk more about U.K. Scholarships with her.

NU RHO PSI NATIONAL MEMBERSHIP

APPLICATION DEADLINE MARCH 4th

Nu Rho Psi is the National Honor Society in Neuroscience, founded in 2006 by the Faculty for Undergraduate Neuroscience. Membership is by invitation and is open to undergraduate students who are making the study of Neuroscience one of their major interests and who meet the other academic qualifications AND are members of the JHU Chapter of Nu Rho Psi. Requirements for membership include:

- Major, minor, other emphasis in Neuroscience
- Completion of at least 3 semesters of the College course
- Completion of at least 9 semester hours of Neuroscience-related courses
- Undergraduate cumulative GPA of 3.2 and a minimum GPA of 3.5 in Neuroscience courses

Students that are eligible for the National Nu Rho Psi Honor Society will be receiving an email from Linda M. White regarding the application process. There is a one-time membership fee of $40, which can be paid by cash, check or money order and will be due once your application has been approved. Unfortunately, we are not set up to accept credit card payments. The deadline to submit applications ONLY is Friday, March 4th.
| LIFE DESIGN LAB | The **Life Design Lab at Homewood** supports and serves all Krieger and Whiting undergraduates and masters students, regardless of postgraduate plans. Life design educators are *embedded within academic departments and centers* across the Whiting School of Engineering and Krieger School of Arts and Sciences, which allows students to more easily access life design programs and courses, experiential learning, and connections with alumni and employers.  
Karen Mardock, Life Design Educator for Brain Science students  
**Spring 2022 Life Design Lab Drop-in Office Hours:**  
Mon-Thurs (9 am-5 pm ET), Mon-Wed (8p-10p ET) & Fri (11 am-3 pm)  
You can find Karen staffing these hours on Tuesdays from 3pm – 5pm, but you can drop-in anytime for assistance from someone on the Life Design Lab team. Check weekly email for the Zoom link.  
If you would like to schedule a one-on-one meeting, please contact Karen by email – kmardoc1@jhu.edu. |
|---|---|
| CONFERENCE ROOM | The Neuroscience and Behavioral Biology Conference Room has been re-opened.  
The availability of the Conference Room for the week can be found [HERE](http://krieger.jhu.edu/neuroscience/). We will also be posting a sign on the door when the room is in use. Due to the ongoing COVID situation, social distancing is the still rule for use of the conference room with no more than 8 people at a time using the conference room.  
**Note:** Please be sure to leave the conference room in better shape then you found it.
