PLEASE READ THE WEEKLY EMAIL!!!!!

The FINAL Neuroscience & Behavioral Biology workshop for the Fall 2023 semester will take place today, November 6th. Please see below for more information.

We will be sending out the Weekly Email on every Monday to keep you informed of what is going on with the Neuroscience Program and on campus that may be important to you. Please understand how important it is to take a minute and read these emails every week.

Have a GREAT WEEK!!!

News and Upcoming Events: November 6th – November 12th

FALL 2023 WORKSHOPS

TODAY NOVEMBER 6TH

The final Neuroscience & Behavioral Biology workshop for the Fall 2023 semester will take place THIS AFTERNOON, Monday, November 6th, starting at 5:00 p.m. The in-person workshop will be held in Dunning 414. This workshop will focus on exploring various identities in Neuroscience and how that might play a role in your career. The guest speakers are Stephanie Mathew, Assoc. Director of Diversity & Inclusion Education; Clifton Shambry, Assoc. Director of Life Design Diversity & Inclusion; and alumni Darin Johnson, PhD Candidate from the University of Pennsylvania.

Students must register for this event. Please click here for more information on the workshop and for registration. PLEASE NOTE: If you RSVP that you will attend, we expect that you will follow through and attend the event.

NU RHO PSI GENERAL BODY MEETING

THURSDAY, NOVEMBER 9TH

The next Nu Rho Psi General Body Meeting will be held this Thursday, November 9th, in Mudd 26 from 7:30-8:30 p.m. Courses for the Spring 2024 semester will be discussed.
Please fill out the survey below for our Courses and Cookies GBM this week! If you are a member of NRP, those who submit the survey will earn 1 Program Interface credit. **Please fill it out before our GBM on Thursday (11/9)!**

The survey is linked here: [https://forms.office.com/r/ZGjYQqw7NP](https://forms.office.com/r/ZGjYQqw7NP)

**NEUROSCIENCE BS/MS THESIS DEFENSE**

**NOVEMBER 16TH**

Garrett Goldin will be defending his Neuroscience BS/MS thesis on Thursday, November 16th at 10:30 a.m. The defense will be held in the Dunning 4th Floor Conference Room 414. The topic of his defense is “**Testing for an Integrated Intuitive Physics-Action Planning System in the Human Brain**”. All are invited to attend, especially if you are thinking about applying for the Neuroscience BS/MS Program. Refreshments will be provided immediately following the defense.

**NEUROSCIENCE HONORS THESIS INFO SESSION**

**NOVEMBER 15TH**

Dr. Robert Ross, a Neuroscience Associate Teaching Professor, will be holding an information session for the Neuroscience Honors Thesis program. The session will be held on Wednesday, November 15th, from 3:00-5:00 p.m. in the Dunning 4th Floor Conference Room 414. Students will learn more about how to create their own independent project, how to write a thesis and to defend their research. Refreshments will be provided.

**SPRING 2024 REGISTRATION**

Are you preparing for your Spring 2024 course schedule? Spring 2024 registrations is November 10-17, 2024.

In your preparation:
- You will want to check out the approved upper levels prior to registration. Be sure to check Teacher Course Evaluations when preparing your schedule.
- Meet with your faculty advisor.

**NEXT WEEK**

Undergraduate registration for the Spring 2024 semester opens at 7:00 a.m. on each respective day:
- November 10th: Seniors
- November 13th: Juniors
- November 15th: Sophomores
- November 17th: Freshmen

Continuous registration is available through February 2, 2024, at 12:00 p.m.
### MIND/BRAIN INSTITUTE
### BODIAN SEMINARS

**TODAY NOVEMBER 6TH 4:00 P.M.**

The Mind/Brain Institute sponsors the [David Bodian Seminars](https://www.neuroscience.jhu.edu/events) in Neuroscience on Mondays during the academic year, usually at 4:00 p.m.

The next speaker will be Xaq Pitkow, Ph.D., from Carnegie Mellon University. His research topic is *Inferring Inference*. The faculty host will be Dr. Andrew Gordus and the event will be held IN PERSON in the MBI Library, Krieger 338 on November 6th starting at 4:00 p.m.

### COGNITIVE SCIENCE COLLOQUIUM

**NOVEMBER 9TH**

The Department of Cognitive Science is hosting a talk by Dr. Jack Gallant, a professor from the Department of Psychology at the University of California-Berkley. The topic of the talk is *The distributed conceptual network in the human brain*. This event will be held in person on Thursday, November 9th, from 3:30-5:00 p.m. in Krieger 111.

### CONFERENCE ROOM

The availability of the Neuroscience Conference Room for the week can be found [HERE](https://www.neuroscience.jhu.edu/rooms). We will also be posting a sign on the door when the room is in use. **Note: Please be sure to leave the conference room in better shape then you found it.**
