Hello Students

We hope you remembered to adjust your clocks **FORWARD** this past weekend because **SPRING** is in the air! It will be warmer, sunlight will last longer, but most of all, the semester is almost over...Woohoo!

But stop clapping so loudly!!

**SPRING BREAK IS NEXT WEEK!!!** Relax and enjoy yourselves because when you get back you will be on the homestretch to the end of the semester. **PLEASE NOTE:** There will be no Weekly Email during the week of Spring Break – March 18-22, 2024.

- Minimum 3.5 GPA in all requirement courses for the undergraduate major
- Completion of no fewer than 6 credits of undergraduate research
- Completion of the Neuroscience sequence as well as the mathematics and science courses required for the BS, **PRIOR** to matriculating into the program the first semester of the BS/MS Program

Contact [Hope Fisher](mailto:HopesFisher@jhu.edu) with any questions.
If you are planning to apply for the program, the deadline to apply is March 15th. For information on the application process, please click [HERE](#).

**DREAMS SPRING 2024**

DREAMS is the Johns Hopkins University’s celebration of all the amazing undergraduate research, scholarly, and creative projects as well as internship, community service, fellowship, study abroad and other amazing experiential opportunities our own Hopkins undergraduate students have been able to participate in.

**Please note:**
- Additional information for Neuroscience Departmental Honors will be forthcoming from Hope Fisher regarding judging.
- This event will be held primarily virtually, with presentations publicly available on an online platform from April 15th thru April 19th, plus synchronous (live but virtual) presentations by participants throughout that week.
- After completing this registration, you will receive further instructions on how to prepare and upload your materials, including login information, acceptable file formats, required presentation elements, etc.
- We recommend you register as soon as possible so you receive information with enough lead-time to create your materials and successfully upload to the online platform.

**Deadline for Neuroscience students to submit their abstracts to Hope Fisher**: 4:00 p.m. April 3rd

**FALL 2024 REGISTRATION**
