Selected participants will be matched with a Krieger School alumni mentor, who will help you explore possibilities and make bold steps toward your future over the course of the Spring 2025 semester.

During the Program, students will benefit from at least three 1:1 meetings with their mentors, receive training and support from Life Design, and have the opportunity to connect with dozens of mentors. Open to Krieger School students graduating in 2025, 2026, and 2027. This opportunity is one you won't want to miss.

Questions about the program can be directed to Kate Barrett (kbarrett@jhu.edu)
